PROJECT TITLE:

ONLINE EXAM SYSTEMS

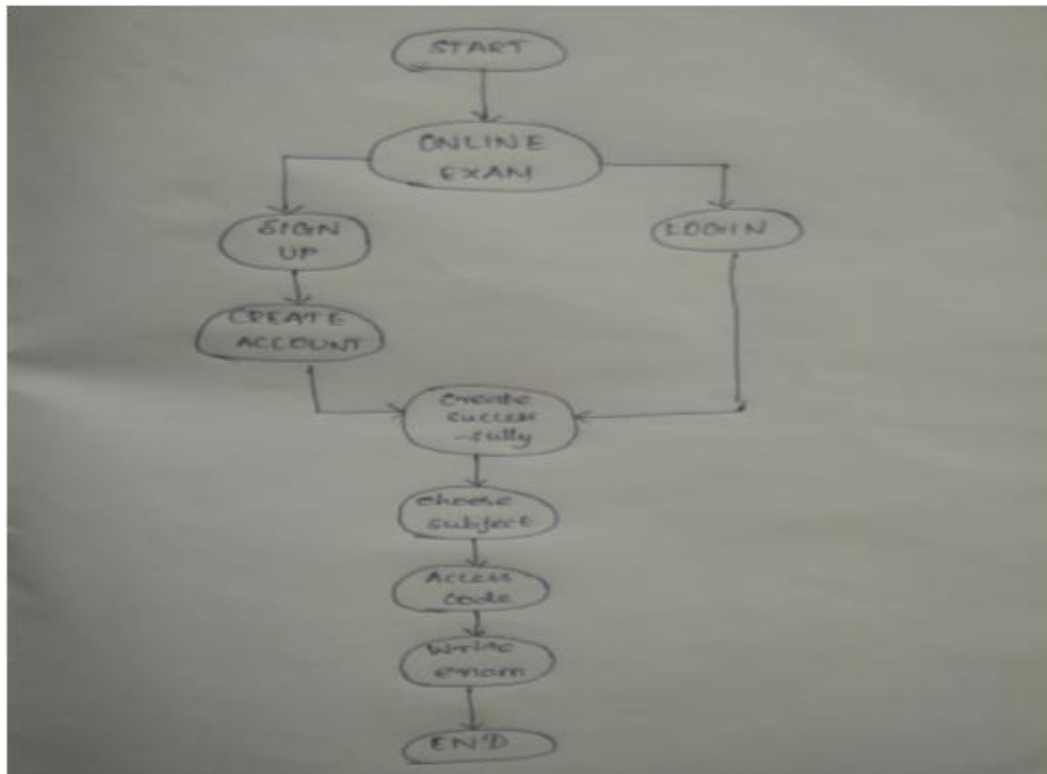

ABSTRACT:

Online Exam System is a web application that helps the faculties to conduct the online quizzes for students. In our college also conduct quiz in online mode. In this lockdown, many colleges planned to conduct the final exam through online. In this web application users create own account to login and attend the exams. If any student like any college, they can use our website

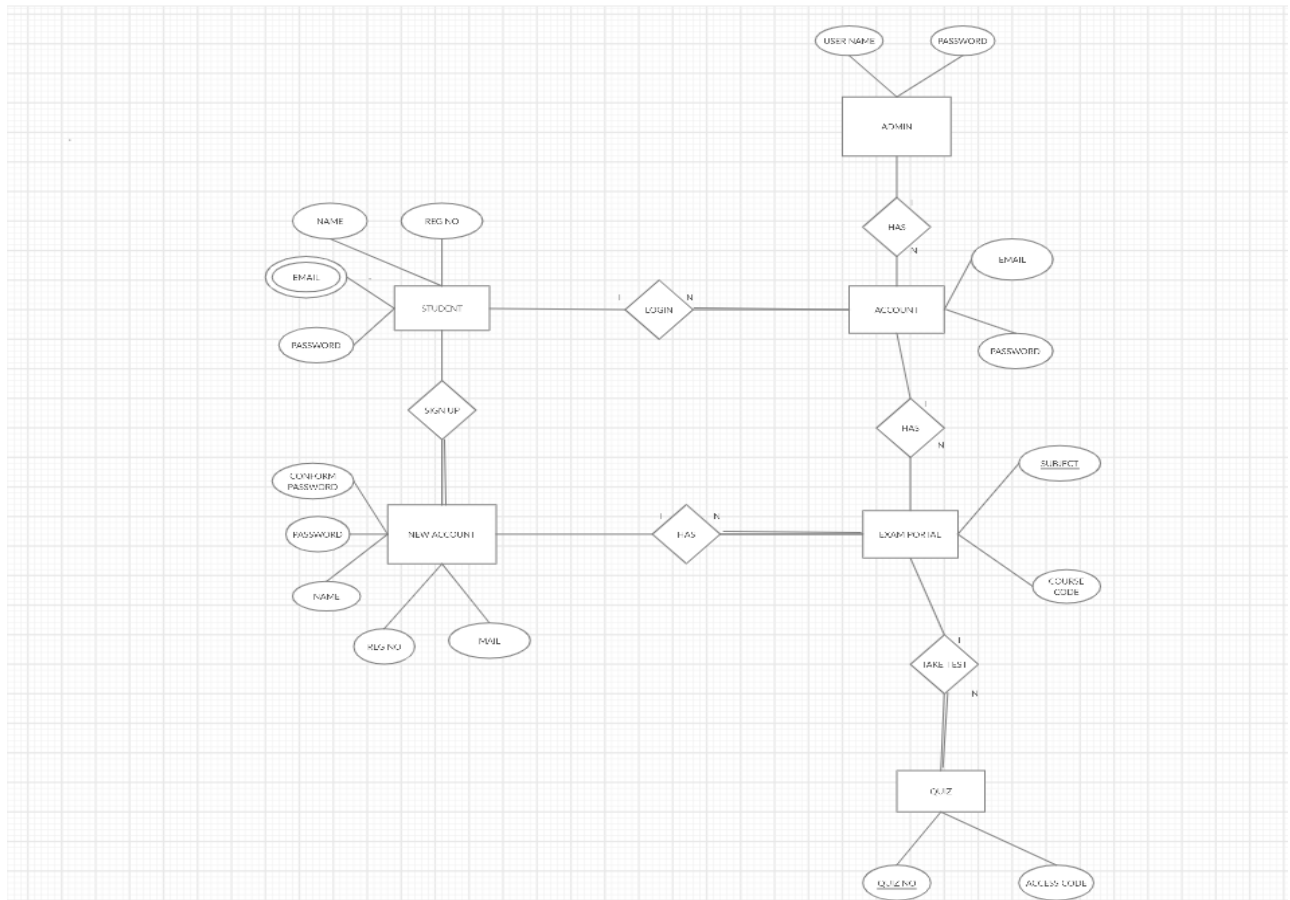

PROBLEM STATEMENT:

This pandemic situation something is not possible for us like schools and colleges are reopen. This situation everything is happened through online. We are stay at home still 6 months. If it goes like this everyone will suffer. So every colleges are decided to conduct classes and exams through online. Our project also like this to help to conduct online exams.

PROJECT FLOW(FLOW CHART/ARCHITECTURE DIAGRAM):

ER DIAGRAM:

DATABASE DETAILS:

The screenshot shows the phpMyAdmin interface for the 'exam1' table. The table structure is as follows:

#	Name	Type	Collation	Attributes	Null	Default	Comments	Extra	Action
1	lid	varchar(15)	utf8mb4_general_ci		Yes	current_timestamp()			Change Drop More
2	pass	varchar(15)	utf8mb4_general_ci		Yes	current_timestamp()			Change Drop More
3	cpass	varchar(15)	utf8mb4_general_ci		Yes	current_timestamp()			Change Drop More
4	name	varchar(15)	utf8mb4_general_ci		Yes	current_timestamp()			Change Drop More
5	address	varchar(30)	utf8mb4_general_ci		Yes	current_timestamp()			Change Drop More
6	city	varchar(20)	utf8mb4_general_ci		No	current_timestamp()			Change Drop More
7	phone	int(10)			No	current_timestamp()			Change Drop More
8	email	varchar(30)	utf8mb4_general_ci		No	current_timestamp()			Change Drop More

Below the table structure, there are options to check all, with selected, browse, change, drop, primary, unique, index, and fulltext. There are also buttons for add, remove from central columns, print, propose table structure, track table, move columns, and normalize.

CONCLUSION:

We have to use this website to conduct quiz for students during pandemic situation. Its helpful for

Students and also teachers.

QUIZ PAGE:

FEEDBACK PAGE:

The screenshot shows a web browser window with the address bar displaying 'localhost/feedback.php'. The page has a blue background. A white feedback form is centered on the page. The form contains the following elements:

- Feedback form** (Section Header)
- Phone Number** (Label) with a text input field containing '3855550168'.
- Email** (Label) with an empty text input field.
- Message** (Label) with a large text area.
- feedback** (Label) with a small text input field.
- Send Message** (Button).

ADMIN PAGE:

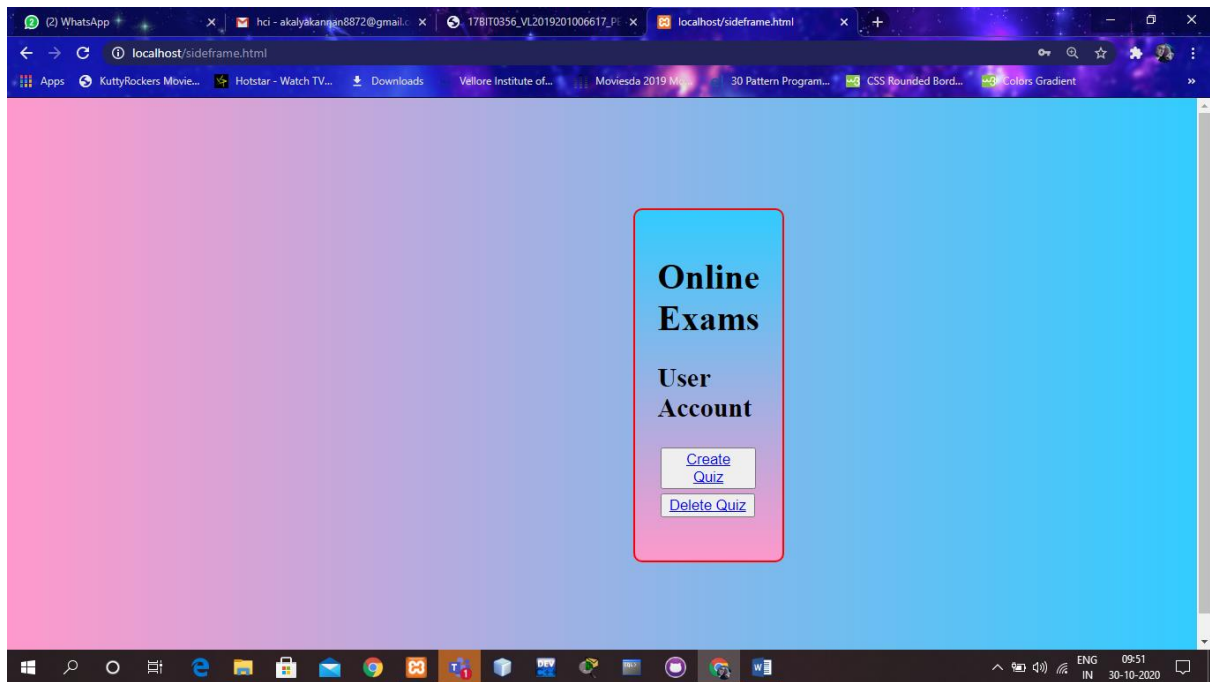

The screenshot shows a web browser window with the address bar displaying 'localhost/admin.html'. The page has a blue background. A white sign-up form is centered on the page. The form contains the following elements:

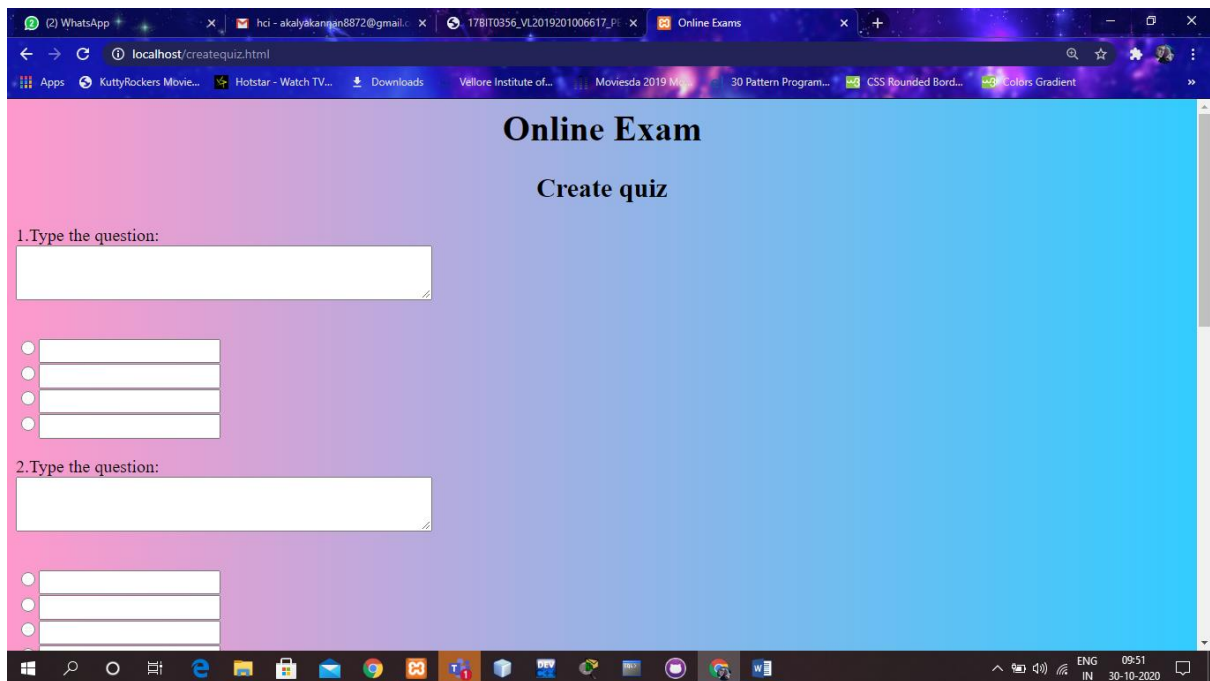

- Sign Up** (Section Header)
- Name:** (Label) with a text input field containing 'Enter Name'.
- User Id:** (Label) with a text input field containing 'Enter Username'.
- Password:** (Label) with a text input field containing 'Enter Password'.
- Confirm password:** (Label) with a text input field containing 'Enter Password'.
- Email:** (Label) with a text input field containing 'Enter Username'.
- Submit** (Button).

Below the form, there is a link for existing users:

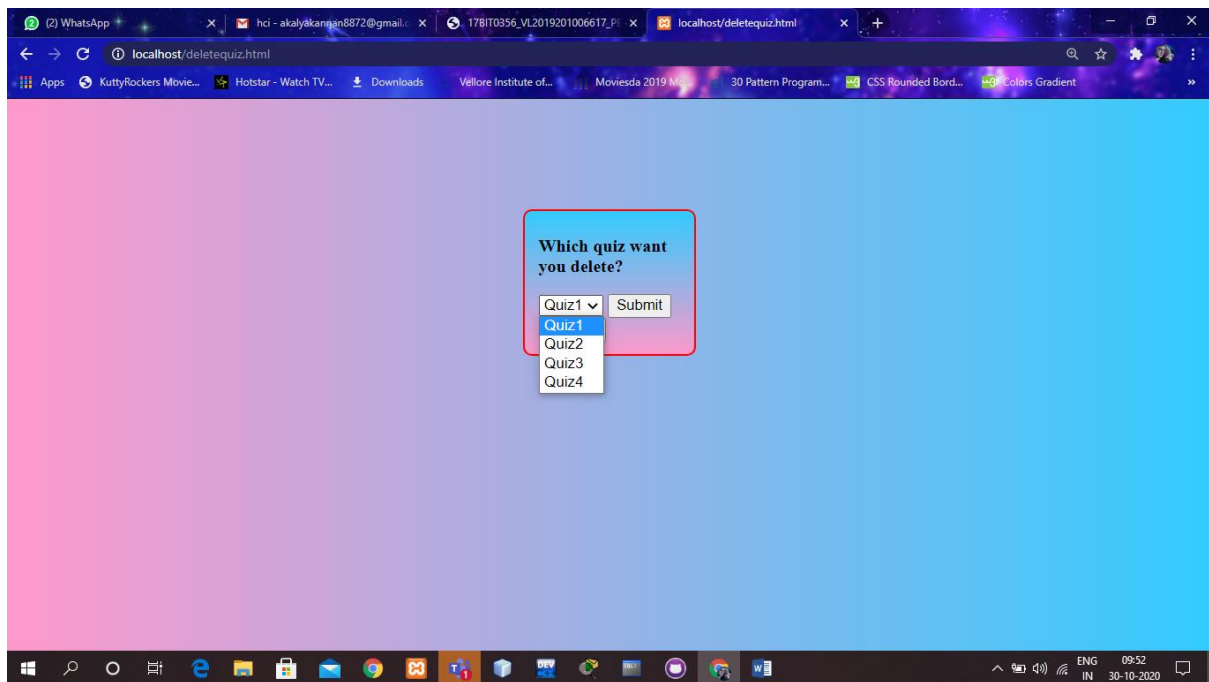

- Already have an account..Enter here** (Text)
- Submit** (Button).
